## **EQUIPMENT LIST FOR KINDERGARTEN - 2012**

Dear Parents,

Could you please send in the following items as soon as possible.

- **Paint shirt** (this should be big enough to fit over jumpers in winter) – Please label this with your child's name. An old adult t-shirt is fine.
- **4 large Glue Sticks** – Could you please buy Bostik Glustick. The other brands do not seem to stick as well which can be frustrating for the children. (The clear, blue or purple glue sticks are all fine). Please do not label the glue sticks with your child's name. We will be sharing all glue sticks as a class.
- **Packet of textas** – We use these throughout the year so they need to last. Could you please purchase a packet of 'Connectors from Faber Castell as these seem to be the best. Label each texta with your child's name.
- **Pencil case for the textas** (no other stationery is required – in Kindergarten the school provides all children with pencils, scissors, rulers, rubbers etc).
- **Library Bag** – These can be purchased from the Uniform shop. You can either buy a library bag and excursion bag or simply use the excursion bag as your library bag. Please label this with your child's name.
- **USB Stick** – Children do not need to bring this into school until they need it for their 'News' item. Where possible digital photos to be shown during News should be put on this USB stick so your child can display them on the Smartboard. The children find it much easier to see pictures on the board and it allows us to teach your child how to further use this fantastic technology.
- **1 box of tissues**
- **1 pump of hand wash soap** – from the girls
- **1 ream of paper** – from the boys

**Maths Box** - This year we are also asking parents to assist in creating a **Maths Box** for their child. The students will keep their box at school and each year items will be added to it. This resource will belong to each student.

Each Maths box requires

- \* 3 Dice
- \* pack of playing cards (King, queen and jack removed)
- \* 20 small counters in a plastic container (counters no bigger than a 10 cent piece)
- 

Please bring these items with you to the Best Start interview.

**Thank You**  
**Kindergarten Teachers**
